

TO: Mayor and City Council

FROM: Jed Petersen, Public Works Director

SUBJECT: Don Mensing Park sign replacement

MEETING DATE: Tuesday, March 17, 2026

Background

The City of Cannon Falls continues its annual park sign replacement program to keep park facilities welcoming and up to date. For 2026, Don Mensing Park has been selected for sign replacement.

A quote was requested from Vacker Sign and has been received in the amount of \$1,467.00.

In addition to the sign, installation materials including timbers, mounting brackets, and hardware are estimated at \$800, bringing the total anticipated project cost to \$2,447.

Replacing the sign will improve park visibility and maintain the overall appearance of the city's park system.

Requested Council Action

I respectfully request a motion and approval to move forward with the ordering of a new Don Mensing Park sign from Vacker Sign at a cost of \$1,647 and a total project cost not to exceed \$3,000.
